Tool and Gauge Manufacturers Association – India (TAGMA INDIA) announces the next DIEMOULD INDIA 2020, the 12th Biennial Die & Mould International Exhibition from April 22-25, 2020 at Bombay Exhibition Centre, Goregaon, Mumbai.

The series of DIEMOULD exhibitions “A Trend Setter” organised by TAGMA since 1998 has built growing awareness and reputation as a unique trade fair in India for the Die & Mould Industry and very large by international standards of similar Die Mould Exhibitions held globally.

The 11th Die & Mould India International Exhibition from April 11-14, 2018 at Bombay Exhibition Centre, Goregaon, Mumbai was a huge success wherein visitors witnessed latest technologies and innovation to new launches on display.

With the regular participation since inception of leading brands from India and abroad exhibiting their latest proven technologies, incorporating features to improve productivity, quality and reduce costs has attracted quality visitors like CEOs, Consultants, Decision Makers to the exhibitors who have time and again expressed satisfaction in finding solutions to their needs, seeing new innovative products and manufacturing process covering the entire supply chain to the tooling industry, providing a wide spectrum to choose from in meeting challenging faster deliveries and quality demanded by customers of the highly competitive manufacturing sectors.

The 12th edition of Die Mould India is a ‘must participate exhibition’ opportunity for all the businesses related to the Tooling Industry; to display and market their products/services in centrally cooled halls, with all supportive infrastructure, in the proximity of Mumbai airport & having the best worldwide connectivity by air, road, rail and sea.

TAGMA INDIA cordially invites you to participate in DMI 2020 as a unique industrial exhibitor and experience this excellent opportunity to grow your businesses and wish you a grand success in DMI Exhibitions.
